

## ◆ Camp Divisions ◆

All campers at CGI Fresno are divided into age groups, and we ensure individualized attention and supervision. This is done in order to make certain that children are placed in the program appropriate to their level of development.

### Kiddie Camp

2.9-4 years old

Kiddie Camp offers a wide variety of fun activities including swimming, music, challah baking, shows and more. It is an exceptional program supervised by our preschool counselors with a special loving touch for small ones. Half day and various day options are available for Kiddie Campers.

### Junior Division

5-8 years old

Children in the Junior Division are provided a great mix of athletic, artistic, and spirited pursuits in a structured setting. They develop strong bonds with their peers and counselors while experiencing what Summer was made for: fun!

### Senior Division

9-12 years old

The Senior Division is designed especially for boys and girls in their preteen years who need more involved and advanced programs. Campers work and play together as a team, learning the values of friendship and unity.

Open House will be held on Lag Ba'Omer, Sunday, April 28th. Call 559-432-2770 to reserve or to find out about upcoming tours.
